

TURN ON THE TAPS: ENSURING CLEAN WATER FOR ALL

You are invited to our free
summer educational events
for the midcoast community.

Learn about water,
how we get it,
how we use it,
and how we share it.

Saturday, August 3, 10:30am Camden Public Library
Water Privatization: A Dilemma for Maine Communities

Nickie Sekera of Community Water Justice
and the Maine State Water Commission
will lead a conversation about local water rights in Maine.

Thursday, August 22, 10:00am Begin Again Farm, 1133 Finntown Road, Warren

Water Quality and Quantity: the Farmers' Friends

Farmers Bill Pluecker and Chloe Maxmin will show us how
the quality and quantity of water affects their hard-corganic farm.

*Parking is limited at the farm so please carpool. Bring a chair.
If it rains we'll meet at Nativity Lutheran Church instead.*

Saturday, September 7, 10:30am Rockport Opera House
The Water Connection: Risks and Impacts of Metal Mining in Maine

Jan Morrill of Earthworks, joined by Ralph Chapman, will
lead a conversation about the impact of mining on water.

The week of September 23, time and date to be arranged

Maine Water Company

We will tour our local water utility company and talk with one of its managers.
